Caring for pets

The winter blues can hit the best of us - even our four legged friends. So if you're noticing a lack-lustre mood from the pets you are caring for, then take some tips from [Adelaide Animal Hospitals](#) about keeping pets safe and happy this winter.

- For outdoors pets, appropriate warm housing is a must and make sure bedding is raised from the floor and away from cold winds
- A pet's appetite may increase during colder weather so monitor your pet's weight to ensure they are not overfed
- Keeping up with daily exercise is a great way to overcome the winter blues - for you and your pet!
