

Pet Pals and Fur-Ever Friends

Many of the house and pet sitters we speak with, tell us that caring for animals on their house and pet sits is one of the most rewarding and enjoyable parts of being a house and pet sitter.

Today is [National Pet Adoption Day](#), so we want to take a moment to raise a paw to all the precious animals out there looking for welcoming homes, and to all our animal loving house and pet sitting members, for the wonderful role you play in providing personalised pet care for many fur-friends around the country.

If you're in search of some fur-ever friends and looking to secure more house and pet sits in 2018, browse the many [position listings online](#) or join our community of animal lovers on [Facebook](#) and [Twitter](#).

We're always keen to hear about your house and pet sitting experiences, so be sure to tag @Mindahome in your social posts.

Enjoy your House and Pet Sitting!

Royalla, NSW

Modern, low-maintenance home on 10 acres with lovely views, 35 mins drive from Canberra (Civic) and 12 mins from nearest Woolies at Calwell. There will be two horses to feed twice and a very docile, friendly and well-behaved Ridgeback who needs a walk every day. This house-sit would suit a retired person, someone on holiday or who works from home. There is WiFi broadband throughout the house and air conditioning in the study. The house is in a semi-rural area and a car is essential. Find out more about this 12 day house and pet sit from 28 February to 12 March 2018.

Testing Your Pet's Eyesight

Night vision is often the first to go if your pet is experiencing vision loss. To check your pet's eyesight, move furniture into different positions during dark or night time situations and see how well your fur-friend navigates through the obstacle course you have created. If they bump into the furniture, best to organise a trip to the vet for a proper checkup.
